

AAUW PowerPoint Presentation Instructions

The PowerPoint provided is the one prepared by AAUW national staff and adapted for our use with the Deeper in Debt state program.

Slides to be Customized by Branch Presenting Event

There are a few slides you will want to customize to provide specific information about your branch, your presenters, etc. In the PowerPoint provided there are placeholder slides with directions on what should be on the slide. If you do not need one or more of these slides, delete them from the stack to finalize your presentation.

The slides you need to customize are:

Slide 2: PROGRAM SPONSORS. Insert information about the AAUW branch or branches or any other sponsors of the program; please include AAUW-PA as one of the sponsors. You can also thank any appropriate sponsors or individuals. You may also want to use this slide to introduce your panelists or thank them. You can add additional slides if needed.

Slide 30: LEARN MORE ABOUT AAUW – JOIN US. Insert any branch website links, social media names, etc. for the branch or branches presenting the event. Please leave the links to AAUW national, AAUW membership, student membership and AAUW Pennsylvania.

Slide 31: LEARN MORE ABOUT *Insert Collaborators*. If you had collaborators who helped you put on the event, e.g. student groups, C/U member, etc., you can provide any information about these collaborators websites, etc. or a general thank you.
