

## AAUW-PA State Dues

### DESCRIPTION OF DUES FOR MEMBERS

Normal **Member of Branch** (MOB) dues for PA are \$10.

**Dual Members** of two PA branches pay only one set of PA dues; dual members with a different state (ex – Florida) pay PA state dues also.

**Honorary Life Members** (MBHL, MAHL), who have been members over 50 years, pay no state dues.

**Paid Life Members** (MBL), who have prepaid national dues to receive a life membership, need to pay annual state dues until they have been members for 50 years.

**Student Associates** (SAF) pay no state dues for the entire time they are enrolled in college. As of July, 2018, graduate students can join as student associates.

**Shape the Future/Member Get a Member Program** memberships are “buy one/get one” for state dues as well as for national – e.g. half price dues. Also for every 2 Shape the Future memberships a branch recruits, the branch earns a third one for free, up to 3 national memberships per fiscal year.

**Give a Grad a Gift:** Any grad joining a branch in PA owes no state dues that year.

**Beginning March 15**, dues (\$10) count for remainder of that fiscal year PLUS the next fiscal year. Please note half year dues are no longer an option at the national and state levels.

**Transfer Members** need to pay state dues for the current year at an AAUW-PA branch.

**National Members** (formerly known as MALs) may join AAUW-PA by paying the \$10 dues. These state memberships must align with the fiscal year, not the anniversary dates used by national.

**Note: National Dues are \$59.**
