

AAUW-PA Branches' 2018-19 Fundraising Activities

During Conversations 2019, AAUW-PA polled branches across the state to find out what sorts of fundraisers are being conducted for branch funding and for contributions to AAUW Funds.

Some branches rely solely on donations from the dues collected or on the individual contributions of their members. Others solicit corporate grants (Makefield Area) or host large and small fundraisers. Please see below for details.
