

FOR YOUR INFORMATION NEWSLETTER FOR BRANCH PRESIDENTS

May 2021

TRANSITION

Last year, at this time, we were in the early months of coping with the COVID pandemic. So many branches demonstrated persistence and resilience, quickly adapting to virtual branch experiences and other methods to continue their work, and to keep members engaged and connected.

As we are emerging from the worst (I hope), I am sure you are realizing that some COVID-caused changes had a positive impact and favorable outcome. So instead of “returning to normal”, you may be holding on to some of the “new”. That happened within AAUW Pennsylvania. For example, President calls are more fun as Zoom meetings. And, the 2020 Convention webinar series was so successful, we added webinars to explore general election voting issues and minimum wage. Look for more regular Zoom programming in FY22.

Speaking of state-wide meetings, we are excited to provide more information about the 2021 Summer Retreat to be held via Zoom on

Saturday, July 24th. See page 5 for more information.

Congratulations to Easton and Lansdale for earning Five Stars in the AAUW Five Star Recognition program. They join AAUW North Hills Pittsburgh and AAUW State College to earn this level of recognition. And, I suspect there will be more. Presently, eleven branches are participating (page 6). Every star earned is to be celebrated because it demonstrates your commitment to the AAUW mission. Thank you to you, your board, and members for doing the work of AAUW across Pennsylvania.

This is the season of board transitions. If you are transitioning out of the President/Executive role in your branch, thank you for serving your branch and leading through unusual and difficult times. Please forward this FYI to your successor. My AAUW Carlisle President term is ending and I look forward to wearing only the AAUW Pennsylvania hat for FY22.

It is also membership renewal season. I hope branch members see past the COVID interruptions, national dues increase, and proposed open membership bylaw change to see the importance of AAUW’s gender equity work at the federal, state, and local level, and renew their membership.

Enjoy the end of fiscal year cherished traditions. Celebrate the successes as you plan for FY22.

I look forward to seeing you on July 24th at the AAUW Pennsylvania Summer Retreat.

Ann Pehle
President

AAUW National

AAUW Member Dues Increase

Since this is membership renewal season, your branch members may have questions about the AAUW dues increase. Please refer to the [February FYI](#) for information. Also refer to the March 8 email, (Subject -- Tools to communicate AAUW Dues Increase) from Peggy Jennings with resources to communicate the AAUW dues increase. That email went to Branch Presidents, Membership VPs, and Finance Officers. Peggy is available to answer questions during the membership renewal season. (aauwpakeystoner@gmail.com)

AAUW national member dues for the next three fiscal years (July 1 – June 30) are below. AAUW Pennsylvania member dues remain \$10 for FY22, with no discussion yet about future years.

- FY22 -- \$62
- FY23 -- \$67
- FY24 -- \$72

When AAUW updated the www.aauw.org website, the AAUW logo changed colors. The new logo and additional palette colors are available for you to use in your publications and website. Go to <https://www.aauw.org/resources/member/governance-tools/state-branch/> and scroll down to **Download AAUW logos and Branding Materials.**

If you want your branch logo updated in the new colors, contact [Barbara Zaborowski](#), Convention Coordinator and technical expert. She has volunteered her technical services to help you reflect the updated AAUW color palette.

Open Membership

At the time of writing this newsletter, we do not know the outcome of the open membership bylaw change.

What I do know, is that you put a lot of effort into informing branch members and encouraging every member to vote. **THANK YOU** for your support and diligence in sharing information with your members.

The AAUW Pennsylvania project to provide information and encourage every member to vote was led by Jordan Glover. Please contact her with final questions. (aauwpadiversity@gmail.com).

Congrats 2021-22 Fellows and Grantees

AAUW just announced nearly **\$5 million** in funding to **more than 260 awardees** for AAUW's 2021-22 Fellowships and Grants. The exceptional recipients will pursue academic work and lead innovative community projects to empower women and girls. Applicants were notified by email on April 15th and will be made public on July 2, 2021. Can't wait to see who received a fellowship in Pennsylvania!

We do know that **AAUW Indiana County** received a **\$10,000 AAUW Community Action Grant**. See page 3.

ANNUAL MEETING

In addition to 16 Board members, 24 members attended representing 14 branches, attended the Zoom annual meeting on Saturday, April 10 at 10:00am.

AAUW Indiana County

receives

AAUW Community Action grant

One of those AAUW grants mentioned on page 2 was awarded to AAUW Indiana County to launch Code Brave: A Coding Club for Girls. Partnering with the Indiana Free Library, they identified a community need and got busy planning this program. The grant covers the computers and program content—proving no idea is too big to make happen or too small to apply for an AAUW grant. They received great local [press](#) and look for an article in June Keystoner to tell the story.

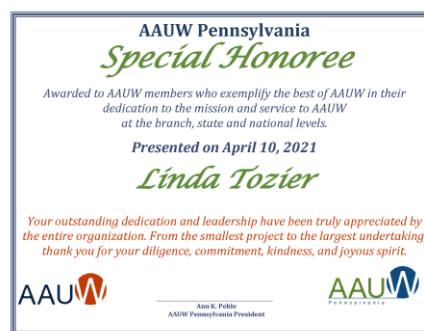

MEMBER AWARDS

Honoring branch achievements and members who contribute to the success of their branches is a cherished tradition. 131 certificates for 28 branches were created to recognize branch achievement and AAUW Pennsylvania member awards – Outstanding Woman, Member Making a Difference, Named Gift Honoree. Honorees will be recognized at the 2021 Summer Retreat and in the 2021 Yearbook to be published in July.

SPECIAL HONOREE

AWARD

It is not often that AAUW Pennsylvania bestows the Special Honoree award. This year we are very pleased to name Linda Tozier as an AAUW Pennsylvania Special Honoree. The surprise presentation took place at the annual meeting. Go [here](#) to read the tribute, and enjoy photos. As she concludes her last elected position on the Board, we thought it only fitting to honor her work with this Special Honoree Award.

It is hard to express our appreciation to Linda for her many, many years of service on the AAUW Pennsylvania Board. Her historical

knowledge provided context to our discussions. Her passion for AAUW reminded us to remain committed. Her humor and sense of joy brightened the room.

Board meetings won't be as much fun without her. And, I will always consider her a confidant and good friend.

AAUW Pennsylvania WEBINAR

School fair funding is a familiar and important concern for AAUW members and branches in Pennsylvania. Over the many, many years of this legislative fight, AAUW members and branches advocated for the fair funding of public schools. When I joined AAUW in 2015, I remember the postcard campaigns, issues forums, etc that many branches conducted. As you are aware, the lawsuit filed in 2014 finally has a court date. We want AAUW members to be informed and prepared to continue their advocacy. Susan Spicka, Education Voters PA made us an offer we couldn't refuse.

Lawyers from the Public Interest Law Center of Philadelphia and Education Law Center-PA will deliver a special webinar for AAUW members and friends.

via Zoom

On April 22, you received an email from me with publicity materials. Please promote this to your branch members. We know it is primary election day, and some members volunteer at elections. The webinar will be recorded. Below is a picture of the flyer and the Facebook event. If you need further tools, please contact Ann Pehle (aauwparesident@gmail.com).

Understanding Pennsylvania's School Funding Lawsuit

Get a behind the scenes, insider's perspective, of the lawsuit filed in 2014 by the Public Interest Law Center of Philadelphia and Education Law Center- PA on behalf of individuals, school districts and organizations, making the complaint that the funding system in Pennsylvania is not only wrong, it violates the state Constitution.

The lawsuit is tentatively set to go to trial in PA Commonwealth Court on September 9th, 2021 and we want you to be in the know. Join attorneys from the Public Interest Law Center and Education Law Center for an overview of the Pennsylvania's school funding lawsuit.

The PA School Funding Lawsuit

Tuesday, May 18th at 7:00 pm
via Zoom

The webinar will provide general information about the lawsuit and be an opportunity AAUW members to hear directly from attorneys in the case about opportunities to support the lawsuit in their communities.
Registration is required at: <https://krc-pbpc-org.zoom.us/meeting/register/tJEqOGrrzMqHt3SVLrx3WSmTUwv0I6>

Please join us! And, please extend an invitation to a friend (or to many friends!).

Why is this important?
Throughout Pennsylvania, our schools have not received adequate and equitable funding to meet our children's educational needs. But our Constitution says, "The General Assembly shall provide for the maintenance and support of a thorough and efficient system of public education to serve the needs of the Commonwealth." The state government is breaking its own law, underfunding our schools by billions of dollars, and our kids are suffering.

And why does AAUW Pennsylvania care?
As stated in the [AAUW Pennsylvania strategic plan](#), we advocate to support a quality system of public education, and one component is support for a fair and adequately funded system of public education.

Attend the May 18th webinar to learn about the issues and how to add your support.

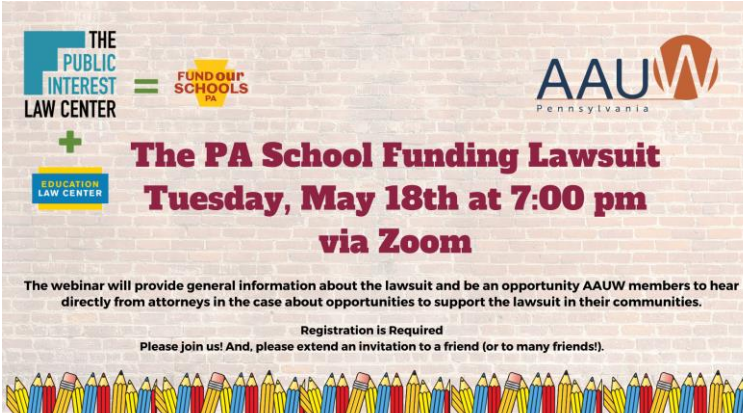

Public education advocates have a critical role to play in demanding action and then holding state lawmakers accountable for ensuring that all schools receive adequate and equitable funding to meet our children's educational needs.

We MUST raise awareness of the school funding problem in our communities and demand action from every branch of government.

Summer Retreat 2021

AAUW Virtual Basket Fundraiser for Greatest Needs Fund

Because our summer retreat will be done virtually this year, we have switched to a virtual fundraiser for the AAUW Greatest Needs Fund as well. We invite your branch to contribute a virtual basket; participation is entirely optional. To participate, find or design a basket of goodies worth \$50-\$100 that the branch can ship to the winner, share electronically, or have shipped by the commercial seller(s).

If your branch wants to take part in donating a basket, decide what you will offer and then complete the brief form **by June 30** so your basket can be listed: <https://www.surveymonkey.com/r/AAUWPASilentAuction2021> You will be asked for the basket contents, the value of the basket, a photo of the contents, and, if you are donating a commercial basket, a link to the website where the basket can be found.

Themes are fun—maybe something for readers or someone who likes cheese or another food product. Consider gift certificates or items unique to the area where your branch is located but that anyone around the state could enjoy. Perhaps you have a favorite woman-owned business whose work you want to share this way.

Bidding on baskets will be open one week before the retreat through an online, silent-auction link located on the AAUW-PA website with the other summer retreat information. Starting bids will be \$30, with raises in increments of at least \$2; bids must be in whole dollars only. Encourage your members who aren't attending the retreat to take part, too. You do not need to be present to win.

The winner of each basket, the person with the highest bid, will be announced on Saturday afternoon, July 24, during the closing of the retreat. Winners must pay through PayPal (no account needed) within 48 hours of the close of the summer retreat, or the basket will be awarded to the next highest bidder. The branch will then be notified of the winner so they can get the basket to them.

Thank you in advance for your participation. We are eager to see how much fun we can have while raising money for the Greatest Needs Fund.

ADVOCACY DOES MAKE A DIFFERENCE

On April 15, 2021, the U.S. House of Representatives voted 217-210 to pass the Paycheck Fairness Act (H.R. 7) with bipartisan support. While Brian K. Fitzpatrick (PA 1st) was the only Republican who crossed party lines to vote YEA, AAUW advocacy around the country is a huge reason we are now one step closer to this bill becoming law. Now the bill moves to the U.S. Senate. We can't be silent and must encourage our Senators Casey and Toomey to cast yav votes. Click [here](#) for AAUW's summary and position resources. AAUW Research – JUST RELEASED

Why Women Leave Lucrative Jobs

Women are more likely to quit jobs in manufacturing than women in other industries, reflecting a history of sexual harassment, unequal pay and opportunity denied. [Factory Flaw: The Attrition and Retention of Women in Manufacturing](#), this new AAUW study made possible by the support of the Arconic Foundation, explores the challenges women face in male-dominated industries. It outlines how employers can build a more competitive workforce by addressing these longstanding issues and creating more pathways for women in the manufacturing fields.

One reason women leave manufacturing are parental policies and no paid family leave. This research lends credibility to the agreement for passing The Family Care Act in Pennsylvania. Barbara Price shared the research with the coalition, who immediately organized a press conference in the Pittsburgh area to highlight a manufacture who supports the bill. Another example of AAUW impacting policy.

Higher Ed, Lower Pay

The Power Gap Among Top Earners at America's Elite Universities is a first-of-its-kind study by the [Women's Power Gap Initiative](#) (WPG) at the [Eos Foundation](#), in partnership with AAUW. The research examines gender, race and ethnicity among the ten most highly compensated employees at each of the nation's 130 major research institutions.
